CHARTING THE COURSE

Join Family Inclusion Network in recognising UN Global Day of Parents 2022

Families are the fundamental unit of society, and parents are charting the course towards their inclusion and rights in the child protection system.

Small, facilitated, two-way discussion

Right now, a 'Charter of Rights' is being drafted for parents experiencing Queensland's child protection system. Join us to talk about:

- » What's in a 'Charter'?
- » And what might be needed to implement it?

Who's invited?

- » Minister Leanne Linard MP,
Minister for Children and Youth Justice
and Minister for Multicultural Affairs
- » Parents
- » Child protection workers
- » Carers
- » Care leavers
- » Lawyers and human rights specialists
